

## Look into

The police are looking into the murder.

## Look up to

You should look up to true heroes.

## Look out

A car is approaching!  
Look out!

## Look on

A large crowd looked on as the band played.

## Look forward to

I look forward to seeing you again next month.

## Look in on

Jane decided to go to Jersey to look in on her father who's sick.

# LOOK

## Look up

I can look up his address in the address book.

## Look ahead

We need to look ahead to decide how to expand our business.

## Look round

I want to spend my weekend looking round town.

## Look back

When I look back I can see where we went wrong..

## Look to

The poor woman is looking to people for help..

## Look down on

You should not look down on poor people
